

November

is National
Runaway Prevention Month

GREEN
LIGHT
PROJECT

This **November**, showing your support for runaway youth is as easy as flipping a switch!

Take a green light bulb home

and replace your porch light with
the **green** bulb in **November**.

Porch lights across the country will glow green during November to raise awareness and show support for runaway youth.

For more information on National Runaway Prevention Month and how you can raise awareness of the issues facing runaway youth, visit the National Runaway Switchboard at www.1800RUNAWAY.org
